" Now more than ever we need to talk to each other, to listen to each other and understand how we see the world, and cinema is the best medium for doing this."
... Martin Scorsese

Dear Member,

Prabhat Chitra Mandal's very own Film festival, Sixth Chitrabharati, an exclusive Indian Film Festival in association with TAG, Welingkars and Cinematic was successfully completed last month. We thankfully acknowledge the love and support of our sincere members towards this cinema movement.

With your relentless support, Prabhat has proudly completed 50 years. We have celebrated our Golden Jubilee Year with versatile programs for our esteemed members. Prabhat Chitra Mandal was set up in 1968 in Mumbai, with the objective of spreading the meaningful cinema culture and educating the film audience. Establishment of this film society was then conceived by Mr. Nandgaonkar, Mr. Gangal & Mr. Dharmadhikari during the infusion of Parallel cinema into Indian film industry. The organization being the pioneer institution of Maharashtra in the field of film appreciation, has been playing the leading role in developing the cinematic taste of audience for the last 50 years. Prabhat will celebrate this accomplishment on 5th July 2018. As part of this ceremony there will a screening of specially selected short films. The competition winner short films will be awarded with the prize money and certificates on the occasion. Kindly check www.prabhatchitramandal.org for any further information.

Just to commemorate Prabhat's 50-year journey, this month we are remembering two of the important milestones of Indian cinema as they too complete their golden 50 years. **Goopy Gyne Bagha Byne** by great Satyajit Ray and **Aashirwad** by another maestro Hrishikesh Mukherjee.
